

Eastern States 2022 Wild Horse and Burro Placement Opportunities

The BLM offers wild horses and burros for adoption or purchase at events and partner locations throughout the year; these events include Online Corral events with various pick-up locations, in person private care and placement events, and Extreme Makeover Events and Storefronts with the Mustang Heritage Foundation. Providing a home for a wild horse or burro is a challenging and rewarding experience. For qualified individuals, this is a unique opportunity to care for, and then own a symbol of American history. If you would like to adopt or purchase at any of these locations, applications will be available onsite, you can also complete an application and mail to the appropriate office prior to the event.
